

DjangoCon Europe 2015

31st May 2015 to 5th June 2015

Joinerysoft's IT Director will be speaking at DjangoCon 2015. This annual conference provides six days of talks, tutorials & code. Located in Cardiff, Wales during 31st May - 5th June 2015. Tom Turner from Joinerysoft will be speaking on Tuesday 2nd June 2015 at 2:50pm on "How Django is used to build a desktop application, and the pros and cons of this approach."

If you are creative and like to push boundaries why not consider joining our programming team? Our team members work independently but within a team framework so you have to be able to work well with others. A love of maths, geometry and trigonometry would also help!

**recruitment
